Subject: LTC Ranch Pod 1 - Transformer Location

Good morning Armlight,

City of PSL is requesting an email from FPL for approval of our two proposed transformer location for LTC Ranch Pod 1. I've attached our Utility Plans and the proposed Lift Station Plan / Reclaim Pump Plan showing the proposed Transformer locations.

Please reply with either approval or comments with a preferred transformer location.

Please feel free to call me at 772-794-4067 if you have any questions or concerns.

Thank you,

Alex Daugherty, P.E.
